Project: To build an outdoor show ring 100 ft by 200ft

Purpose: Chesterville & District Agricultural Society role is to be a community organization mandated with preserving and celebrating the rural way of life in Ontario. It is our hope, that with your help this ring will become a hub of activity throughout the year, being used by our equestrian and cattle community in SD&G for shows, practicing and training events.

Budget: The work would be completed by volunteers whom we are ever so grateful for. The cost of the project is for materials only, as follows:

Clean Sand	-	\$1,750.00	
Lumber	-	4146.25	
Screws	-	56.25	
Gates	-	1,250.00	
Paint	-	462.38	
Taxes	-	606.44	
TOTAL	-	\$8271.31	
Donations received		\$1300.00	to date
Remained left		\$6971.31	

Interesting Fact: The fair takes place in North Dundas Township. However, did you know that 3 of the Directors, 1 Associate Director as well as the Treasurer all live in South Dundas. Also, that 37% of our visitors and 19% of our corporate donations come from South Dundas.

Thank you for this opportunity

We are looking forward to presenting this project

Sincerely,
