Your name: **Cathy Ashby**

Name of your charity, organization or project: **House of Lazarus**

Contact Email

And or phone number: 613-989-3830

Description of your proposed project:

House of Lazarus' Neighbours Helping Neighbours program encompasses a variety of projects/ activities that help maintain stability in the lives of those in need. This program aims to help with basic needs including transportation, food security and housing stability. Handyman Heroes is one of our Neighbours Helping Neighbours projects.

Our Handyman Heroes Project is a grassroots project whereby local licensed tradespeople volunteer their time to help at-risk families by improving their living environments or their transportation needs. The project matches local tradespeople with families in need of urgent housing or vehicle repairs. This program has already provided a family with 2 young children new brakes and two new tires on their van when a local mechanic offered his services. This program will be putting a new roof on a single mom's house this fall so that mould will not become a problem. A local contractor is volunteering his time and equipment to make this happen. House of Lazarus needs to provide the funding for the materials to make these repairs happen. We are asking 100 Men Who Care South Dundas to provide funding (\$5000) to purchase more materials to help more families. House of Lazarus will use this funding to provide help to families in South Dundas. The goal would be to complete as many repairs as possible with this funding within the year. Materials will be purchased locally.

I have been given the authority to submit this proposal on behalf on the organization.

This organization can give tax receipts for donations either directly or through another charity or municipality

What is the estimated cost of this project? 5000

What is the estimated date of completion if this group receives the donation? 1 Year

How will completion of this project directly benefit the residents of South Dundas?

Only South Dundas residents will be helped through these dollars. We will purchase materials locally. When possible, we will use local tradespeople.

What do you know about this organization that you wish everyone knew?

House of Lazarus feeds 600 people a year through its food bank. We also helped over 2600 people last year through our outreach programs. This includes giving clothing, furniture and household goods to people in need in our community.
